

LEADERSHIP ACADEMY

DEVELOPING DUNEDIN'S FUTURE LEADERS

Dunedin:
May 12 to June 30, 2023

WHAT IS THE LEADERSHIP ACADEMY?

The Leadership Academy is for people looking at developing their existing leadership experience and who have the potential for holding senior positions and governance roles. The programme assists the participant to be equipped for leadership within their own organisation/business and the community.

The participant, at the completion of the experiential and reflective learning sessions, will have a good understanding of what is required to be a significant leader in their own organisation and in the wider business community.

Each session is led and presented by a senior executive from a significant Otago-based business or organisation. Academy participants will benefit from the opportunity to interact with the presenter and build an ongoing connection with them.

Each session is two hours long and active engagement in dialogue is expected.
